

Vietnam War Movies

The following list is not in any special order. Many of the movies are Hollywood products that were made for pure entertainment (that is, they do not portray the reality of what happened) or were produced to send a particular message (usually slanted and not a reflection of the truth). On the other hand, these movies give a glimpse of the time and events. They can be both entertaining and educational.

Hamburger Hill
We Were Soldiers
Full Metal Jacket
Go Tell the Spartans
84 Charlie Mopic
The Green Berets
Platoon
The Deer Hunter
The Rambo series
Apocalypse Now
Coming Home
Gardens of Stone
Hanoi Hilton
Good Morning, Vietnam
Bat-21
Saigon
Born on the Fourth of July
Flight of the Intruder
The Quiet American
The Ugly American
In the Year of the Pig
The Killing Fields (Cambodia)
